Dear Parents,

I am delighted to be able to announce that the new Housemaster of Beevor's from January 2008 will be Mr Stuart Mainwaring. Mr Mainwaring will be known to the boys in the House since he has been a tutor in the house since his arrival at the school and is currently the Assistant Housemaster. I am delighted to say that the boys applauded warmly when I announced the decision to them this afternoon and I am sure he will be a popular figure in the house.

He is looking to build upon the successful development of the house over the last few years and to ensure that the vibrant house spirit created under Mr Butterworth will be sustained. He will move with his wife, Xanthe, and their two young children, Charlie and Daisy into the house over the Christmas holidays and I know you will look forward to welcoming them then.

I can assure you that the handover of responsibilities from Mr Butterworth will be handled carefully and that the boys should enjoy a seamless transition over the next term. I know you will again join me in thanking Mr Butterworth and his family for all that they have done for Beevor's.

Kind regards,

Yours sincerely,

James Fowler
