

Highgate 8th November 2008

The 1st XI produced one of their best performances of the season. In the penultimate match of the ISFA South league they took on top of the table Highgate boasting a 100%. In a difficult first half Aldenham defended expertly and did well to turn round only one goal behind. Using the slope and the wind to their advantage the 1st XI strove for an equaliser and were rewarded for their efforts when Thomas Niggel scored his first senior goal. The team pressed on and were unlucky to be denied victory having a goal disallowed and a last minute Kevin Voller shot excellently saved by the home goalkeeper. This was a close competitive match and a great advert for 1st XI football.
