- Megan & Amy Won Playoff tiebreak (10-2)

Report

Aldenham eventually won a close encounter after a championship tie break. Megan MacGregor & Amy Flood were the stars of the show playing some fantastic singles tennis to win their singles matches 6-0 & 6-2 respectively. The pair also combined to win their doubles match 6-1 and the tie break 10-2.

Rosie Baker started her singles match well to take an early 2-1 lead but was eventually overrun by her singles opponent to lose 6-2. Hannah Sharp (clearly unsure on some rules) was filling in for other girls who were unavailable on the day. Although Hannah lost her singles 6-0 she did improve immensely throughout and towards the end hit a number of cross court forehand winners. Rosie & Hannah combined in the doubles losing 6-1. Although they were disappointed to lose the set, they soon realised it was the game they had won during that set that allowed Megan & Amy to compete and win the tie break and take the overall win.

All of the girls were a credit to themselves and the school and Mr Cornock has a 100% win record in Tennis!
