U13 B Report

Josh Rostron was our pick of the batters, not out on 9. Aldenham fielded quite well overall and managed to make a fist of things. It took Orley Farm 15 overs to pass our 59 losing 7 wickets in the process. Off the bat they scored 16 with extras doing the rest. We took two catches via **James Delew** and **Sam Brownlight** with wickets from **Merali** and **Rostron** which gives some encouragement. **Dev Patel** and **Chippa** also took two wickets a piece. A loss but not disheartening, leaving us with plenty to work on!

3rd XI Report

In a mid-week 20 over fixture against John Lyon School, captain **Jay Patel** won the toss and elected to field. Some accurate Aldenham bowling from **George Talbot** and **Bhairav Kotecha** limited the home side to a total of 98. It was an encouraging performance in the field, with few runs coming in the first overs.

Aldenham set about the run chase with great vim & vigour, hitting the John Lyon openers for 30 off the first 3 overs. A change of bowling brought about a reversal of fortunes, with only **Kotecha** frustrating the home side's attack for an impressive knock of 34. With runs drying up in the limited over match, Aldenham fell just short of the John Lyon total, scoring 84 runs off 18 overs, however this was a good performance from the 3rd XI, and it is pleasing to see so many pupils playing cricket in this age group.
