U13 v BELMONT

Georgina Yeabsley scored the goal and Alex Peries was the man of the match. A very evenly contested affair with a draw a fair result. Marie Ritchfield deserves mention for an excellent defensive display.

1st XI Dame Alice Owen

We had our chances to win with Georgia Murray twice through one on one with their goalkeeper, and several short corners saved by their goalkeeper. We had the bulk of the possession and territory so (another) very encouraging performance from all these girls. Great tenacity from Anne Weyer, Annabel Mizel was again outstanding in midfield, but this week's man of the match goes to Abby Pinkerton for an excellent defensive performance.
