Report

This was the first outing for the Under 13 A squad and on a wet Thursday afternoon it was also the first match Aldenham has ever hosted on our new Astroturf surface.

Sam Spalter and Charlie Waller both lost close singles sets to the Rickmansworth top seeds but they turned this round with a win together against the odds in their doubles set against the same pair.

Jordan Matock-Henderson and Tomo Hashiba-Charlton both won their singles sets but they also had a tie break in their doubles encounter. They won this slightly more comfortably with a 7-3 win to eventually end the afternoon, despite two rain delays, with an Aldenham victory 8-4.

This was a great effort from the Under 13 team particularly in such adverse conditions.
