Report

This was the first outing for the Under 13 B squad and it proved to be a dramatic affair. Miles Hutchinson and Paul Kehoe played first and second pairs, both winning their sets but our third and fourth singles lost leaving it to come down to the doubles matches. These also went one to Aldenham and one to Monks Walk; the match was tied at 6-6.

To find a winner the format is a pressurised Championship tie break to ten points. We also had to split the winning pair of Miles and Paul. For his consistency, Brandon Woolmark got the nod and he started the tie break with Miles. At three nil down it looked ominous for the youngsters but they dug deep and played a more effective, defensive approach from then on which enabled them to convert their second match point, eventually winning 11-9.

A thrilling result and praise for spirit and effort should go to all five boys.
