Report

After rain delays before half term we now have to get all of the matches in these last few weeks of term and the first of these was the Under 15 A's against Rickmansworth.

James Bruce the highest ranked Aldenham player at present despatched the Rickmansworth one seed comfortably with a 6-1 singles set.

Ben James also won his singles set and played some of his best tennis of the year so far, he saw off the third seed 6-2.

Andrew Mclean and George Leach both lost their singles, leaving the overall match neatly poised at 4 points each. Aldenham went on to win both of their doubles matches to eventually win the tie 8-4.

In these doubles sets, George and Andrew both stepped up to the plate and performed with greater confidence in their ability. With Bruce and James playing so well, it was a pleasure to watch the pendulum swing in Aldenham's favour and they certainly deserved the victory.

All eyes on Watford Boys and St. Clement Danes next week!
