## Report

For the first time this year we had the full pick of boys to choose from and after our first two wins this was looking to be the most successful Aldenham tennis squad of the season.

James Bruce, despite being three games to love down, came through his singles match to win six games to three. Andrew MacLean was again a formidable number two seed, winning comfortably six games to one. In the other singles rubbers, Aldenham had Rob Krausher playing at three seed in the closest of the singles sets, eventually beating his counterpart seven to five and finally Ben James our only year ten pupil in the year ten competition winning with an impressive six games to love set.

The Aldenham boys' continued where they left off in the doubles rubbers with another two impressive sets (both 6-2) to make the overall tie a one sided affair, Aldenham winning 12-0.

This means that the final school to play, who are also unbeaten in the league, will be next week's exciting finale against Parmiters School. The winners will play the winners of the other Hertfordshire league.
