## Report

Our very young team played extremely well and only very narrowly lost in the deciding tie break after the match finished a 3 all draw. We had two Year 9s, a year 8 and a year 7 competing against four Year 10 girls.

Megan and Amy won their singles comfortably 6 - 0 and 6 - 1. Rosie and Georgina both recovered from nervous starts to have really good battles in their singles matches but both unfortunately lost 6 - 4. Megan and Amy also won their doubles match 6 - 2 but Rosie and Georgina lost their match 6 - 2 which meant the match was drawn.

One doubles 10 point tie break is played when the match is drawn and Megan and Amy played a very tentative game eventually losing 12 - 10. The result could have easily gone the other way and should have on ability; our girls just lost their nerve.

It was a great all round team effort and all four girls show great potential as a team that can compete in the same age group next year. Well done!
