Report

Another victory for Aldenham School at home in the U18 Aegon National Senior Students Cup which puts us in the last 16 at National level. We played against UCS who provided the stiffest competition yet.

The match was played on home ground on a very cold and sometimes snowy Wednesday afternoon. George Mizel's "A" match was the first to finish with an impressive 6-0 win, followed by Dan Jacobs (6-4) and then a great result in the doubles by Andy Barnes and Alex Abramovich who sealed the third set with a 6-4 win.

After that, it didn't take long for George and Dan to continue the winning streak and take the second doubles 6-1. At this point, we had won the round. Andrew showed great spirit resisting until the end but was beaten 6-3 in his singles. Alex provided the closest match of the evening taking his singles game to 6-6 but was eventually beaten in a nail-biting tiebreak 7-5.

A big thank-you goes to these players for their commitment and dedication, especially during the training sessions on Wednesdays.
