B 0-7

The first XI lost a tight league match v Bradfield. After a slow start which saw the home side go 2 down, Aldenham fought superbly to find a way back into the game. Elliott Edwards was superb in goal producing one save of the Calibre of Banks and Montgomery. Goals were scored by Voeller, Bennison and Selwyn.

Elsewhere the 2nd XI played very well and were leading a strong Bradfield team 2-1 with 10 minutes to go before losing two quick goals, and the match.

The U14As found life difficult in the first half but produced a great second half display which should give them some confidence for the next few weeks.

The U16s first outing of the season saw them start poorly and go 4-0 down within twenty minutes, the under 16's started to pass the ball more and created some good chances. Ben Serumaga got the first Aldenham goal from an excellent set of simple passes from inside our own half. Michael Tsiattalou scored the second with some individual skill following a quick corner. Unfortunately we lost focus and the last quarter saw neither team string many passes together as the tempo fizzled out to that equivalent to an octogenarians' outing along the seafront at Hove!

The U15 XI team were 1-0 up until 25 minutes to go and then lost focus and fitness against a strong Bradfield team.
