

V Charterhouse
1st Xi won 2-1

The team recorded the first win v charterhouse, the boodle cup holders, with a determined display. Tom Pettet's fine forward run was ended illegally and Adam Williams confidently converted the penalty to take the home side into the lead. Just before half time Charterhouse scored from a set piece and it looked like Aldenham would turn around on even terms. However, a disputed free kick awarded just outside the Charterhouse box was turned into a goal of Ronaldo stature- scored by Ollie Salami. The 2nd half saw Aldenham defending with great purpose and attacking with menace. Although no further goals were scored plenty of chances were created. Congratulations on a fine squad performance.
