

The School Basketball team played Felsted away on Saturday 6th February. The score was Felsted 49 Aldenham 20.

Despite the loss this was a great first outing for the School Basketball team. The team was able to learn and adapt during the course of the match .Their defensive strategy developed considerably throughout the match to make it a much more even contest in the second half. Improvements still need to be done on the offence.

Man of the match: Tony Leung who was on court for most of the match.

Most improved player: Max Eisermann who learned how to use his height effectively on Saturday.

Many thanks to Ben Holmes who refereed the match.
